

## **HERE AT MELLIFLORA, WE'RE ALL ABOUT THE FLOWERS!**

*We create one of a kind floral arrangements inspired by the seasons.* Our studio is bordered by overflowing flower fields and much of the material used in our design is custom grown for events. We specialize in cultivating heirloom, old fashioned and uncommon flower varieties prized for their fragrance and beauty.

Our a la carte wedding package is perfect for couples who love Melliflora's signature fresh from the garden style, but who don't require large installations, or on site set up. The a la carte option is perfect for clients who only need personal flowers, center pieces, or a few focal arrangements. Simply choose the size and quantity of your personal flowers and centerpieces and describe your color palette. Leave the rest to us!

Our a la carte option is not well suited for couples who want very specific flower types, require an in-person consultation, or have more complex event design needs. There are many talented florists in the area who can help with such designs and we are happy to make referrals.

We understand how stressful planning your wedding can be. With so many choices, so much conflicting advice and so little transparency when it comes to the actual cost of things, planning your wedding can quickly go from exciting to downright overwhelming.

We've streamlined the process of selecting your wedding flowers by offering a limited range of lush, garden style arrangements made from locally grown blooms, so choosing is easy. We arrange your flowers using the best of what's growing the week of your wedding in your desired color palette. Our pricing is transparent so you have the ability to create your own custom flower package while staying within budget.

Orders are available for pick-up during set times at our farm in Troy Idaho.

On the following pages you'll find everything you need to get started. Please don't hesitate to reach out if you have any questions. We look forward to working with you!

## **A LA CARTE MENU**   *DIY Kits*

Melliflora DIY kits are a great option for budget-savvy event planners and brides. We offer in-season stems by the bucket that can be arranged by you, your family members, or your bridesmaids. We set you up for success with all the florals and foliage needed for lovely, balanced arrangements. Each bucket makes approximately 4-5 medium sized arrangements or 6-8 small arrangements.

The key to this option is flexibility. We accommodate your flower palette with the most beautiful and abundantly blooming varieties growing that week. While we cannot promise specific flowers, we can give you an idea of what we expect to see blooming the week of your event and accommodate if we are able.

### **Specialty stems:**

Some focal flowers, like dinnerplate dahlias, are \$2 to \$3 a stem due to larger investments in root stock. We are happy to include these in your kit for a small additional cost. We will confer with you before adding these pricier flowers to your bucket.

### **Options**

There are many ways that you can make a DIY kit work for you; either doing the entire event with the kits yourself, or mixing and matching by having us design some of the trickier flowers while you do the rest. The most popular such combination is to have us do the bridal bouquet and boutonnieres (which are harder than they look!), and making the rest of the personal and event flowers yourself from a kit. However you choose, we've got you covered.

### **Cost**

\$50 per kit. You keep the buckets
